PRESS RELEASE

**India thanks Kingdom of Bahrain for its solidarity and support
in the current Covid-19 Pandemic situation**

The Government of India would like to thank the Leadership and the Government of the Kingdom of Bahrain for the Kingdom's solidarity and support to India in this difficult time of COVID-19 pandemic which has affected the entire world. The Government of India appreciates the decision of the Bahraini Cabinet and expresses gratitude to HM the King and HRH the Crown Prince and Prime Minister of Kingdom of Bahrain for affirming Kingdom's support to India in dealing with COVID-19 pandemic and would like to thank for its kind gesture to send medical equipment and oxygen to India.

In line with our historical and close friendly ties, our two countries have had excellent collaboration in dealing with Covid-19 pandemic. India is committed to further strengthen our bilateral collaboration with the friendly Kingdom of Bahrain, not only in fighting this global pandemic, but also in diversifying and deepening all aspects of our bilateral cooperation.
