Embassy of India
Bahrain
****

- Embassy of India, Bahrain calls upon all members of the Indian community to get the COVID19 vaccination at the earliest.

- The Government of Bahrain is providing free vaccination to all its citizens, residents and called upon everyone to get vaccinated.

- Embassy has created a datasheet to collect information from Indian nationals who have not yet been vaccinated. The purpose of this effort is to provide assistance to such Indian nationals and to get them vaccinated as early as possible. You are requested to fill details at https://forms.gle/pMT3v1g3o4yVgnES8 and let us know, if you are facing any problem with regard to vaccination.
