General Information

A.

The Foreign Student (FS) Admission Quota

AUD invites applications to its study programmes from citizens of countries other than India. AUD has a Foreign Student (FS) supernumerary admission quota -- in excess of the sum of seats of regular Indian admission categories -- for its undergraduate and postgraduate programmes. The FS quota in UG and PG programmes is a percentage of the total of regular (non-supernumerary) Indian/domestic study seats. The FS UG and PG seats available in 2025 – 2026 in the various programmes are shown in Tables below (page 7-9). FS applicants must use the on-line application portal for FS applicants and pay the designated application fee there [https://aud.delhi.gov.in/admission/Foreign-Student/2025]. Foreign students are advised to carefully read the general information regarding admissions to UG and PG programmes shared below before applying.

Admission of foreign students is for full-time study in an approved programme with intention of completing an AUD degree. Temporary/part-time enrolment of foreign students or research affiliation is allowed under some institutional agreements between AUD and foreign colleges/universities: see the web page of the AUD International Affairs Division for details *[https://aud.delhi.gov.in/international-affairs-division]*.

FS admission is considered to be 'in absentia', whether or not the FS applicant is in India at the time of application. No applicant under the FS category may be considered for admission under another category or quota, and no applicant under any domestic admission category (regular or supernumerary) is eligible for FS admission. FS admission to most programmes differs from domestic student admission. FS applicants are not usually expected to participate in the same admission steps as Indian (domestic) applicants; they might undergo alternate admission diagnostics.

Minimum Eligibility Requirements (MER) for FS applicants are the same as (or equivalent to) those for Indian applicants of the general/unreserved admission category. The MER are mentioned in the programme write-ups in the general bulletin of information and on the admission web pages. The numerical cut-offs for determining higher eligibility of domestic Applicants do not apply to FS applicants.

If an admission process includes **viva voce entrance exercises or interviews,** a FS applicant cannot be exempted from that activity because of her/his remote location. FS applicants will be interviewed via Skype or other electronic platform.

'Self-financing' FS applicants are those who apply at large and do not receive financial assistance as part of an official government/cultural/educational exchange programme recognized by the Indian government. Self-financing FS applicants pay the AUD application/FS processing fees and they pay the tuition fees indicated in the table below [Section C].

Financed/sponsored FS applicants apply for admission to AUD as per the norms of the Indian Council for Cultural Relations (Cultural Exchange Fellowship programme) or another government-to-government scholarship programme. Their tuition payments to AUD are set by terms of their scholarship, as recognized by the university.

FS applicants should carefully read the bulletin describing the programme they seek admission to and follow the **programme -specific instructions** (in Section II below) for FS admission.

Language Proficiency Tests

AUD offers a multi-language learning environment. Many AUD study programmes expect learners to be proficient or to become proficient in more than one language, including English. Admission of foreign students to AUD presumes their proficiency in academic English. No special proof of proficiency is required if (a) an FS applicant's most recent (or qualifying) educational degree was awarded by a recognized 'English-medium' institution, or (b) English was the official 'medium of instruction' of the programme they graduated from. **If neither (a) nor (b) is true, a FS applicant needs to provide evidence of academic proficiency in English in the form of a performance report/certificate of a standard examination of academic English, preferably TOEFL or IELTS (Academic only, not General Training version).** The reported test score must have been obtained within the preceding two years.

For admission to all AUD programmes except B.Voc., M.Voc., and Hindi language and literature, an applicant's minimum IELTS score must be 6.5, or the TOEFL score must be in the 79 – 93 range (out of 120) or above. Applicants to B.Voc., M.Voc, and Hindi language and literature programmes need not submit TOEFL or IELTS scores as described above but may require an applicant to demonstrate knowledge of English for B.Voc. and M.Voc. programmes. Admission to Hindi programmes requires demonstration of proficiency in Hindi, as decided by programme faculty.

In AUD programmes with compulsory English language courses, TOEFL or IELTS scores may be used to place the foreign student into the appropriate level of English language training.
