The Government of India has launched the “Global Pravasi Rishta Portal” (<https://pravasirishta.gov.in/>) to effectively connect with the Indian Diaspora. It will work as a three-way communication between the Ministry of External Affairs (New Delhi), Embassy of India, Bahrain and the Indian diaspora based in Bahrain.

2. The portal has been created to enable the registration of members of Indian diaspora (NRIs including students, OCIs), which is going to facilitate members of the Indian community to have a dynamic connect with Embassy, as well as to get timely information about various existing and new government scheme benefiting them in various areas of interest. The portal is embedded with Mission’s functional areas related to Consular, Community Affairs, Education, events, Cultural and Feedback. After registering with the Portal, a user can submit queries pertaining to these areas and will also have access to information about various events organised by the Mission for greater participation.

3. This will also help to deal with emergency situations like pandemic, natural calamities and unforeseen circumstances.
