**PRESS RELEASE**

**22 January, 2025**

Parental consent is required for issuing passports to minors considering the welfare of the child and safeguarding the interest of parents / guardians of the minors.

As per the latest guidelines issued by the Ministry of External Affairs, Annexures 'C' and 'D' for seeking parental consent of minors applying for issuance / renewal of passport have been revised. These annexures are required to be submitted along with passport applications of minors.

The link to [Annexure C](#) and [Annexure D](#) are available on Mission's website for the information of parents / guardians of minors applying for issuance / renewal of passport.
