

WEB ACCESSIBILITY COMPLIANCE CERTIFICATE (GIGW 3.0)

This is to certify that the official website of the Embassy of India, Bahrain (<https://www.eoibahrain.gov.in>) has been evaluated for compliance with the Guidelines for Indian Government Websites (GIGW) 3.0 issued by the Ministry of Electronics and Information Technology (MeitY), Government of India.

The website has been tested using automated tools as well as manual evaluation methods to ensure adherence to accessibility and usability standards.

Based on the assessment, it is confirmed that:

- The website meets the accessibility requirements as per GIGW 3.0 guidelines.
- No critical accessibility errors or contrast issues were found during testing.
- The website is responsive and accessible across devices and assistive technologies.
- Necessary accessibility features such as alternative text, proper labeling, and keyboard navigation have been implemented.

The website is hereby declared compliant with GIGW 3.0 guidelines to the extent tested and evaluated.
